CIVILIAN AGENCY ACQUISITION COUNCIL LETTER 2009-01

MEMORANDUM FOR CIVILIAN AGENCIES OTHER THAN NASA

FROM:

AL MATERA
CHAIRMAN
CIVILIAN AGENCY ACQUISITION COUNCIL

SUBJECT:

FAR Case 2009-009 - American Recovery and Reinvestment Act
(the Recovery Act)—Reporting Requirements

All Civilian Agencies other than National Aeronautics and Space Administration are advised to inform their contracting officers that the July 10, 2009, date for contractors to report has changed. Federal Contractors are not required to report at www.federalreporting.gov on July 10, 2009, the information required by FAR clause 52.204-11, American Recovery and Reinvestment Act—Reporting Requirements. This clause was published in Federal Acquisition Circular 2005-32 on March 31, 2009. Accordingly, the Office of Management and Budget (OMB) has posted an announcement at www.federalreporting.gov notifying federal contractors that they are not required to report information on July 10, 2009. However, federal contractors that submit an invoice prior to June 30, 2009 for Recovery Act funded contract performance have been instructed to maintain the data required by FAR 52.204-11. Cumulative reporting will begin with the October 10, 2009 deadline required by Section 1512 of Division A of the American Recovery and Reinvestment Act of 2009.

This delayed reporting is necessary while the reporting tool and final rule for FAR Case 2009-009 are under development.

In addition to the notice at www.federalreporting.gov, the FAR Council will issue a notice in the Federal Register.
